

Kids Kampus Holds First Grandparent's Day

Kids Kampus child care center had their first Grandparent's Day on Wednesday, September 10th. Eighty-five grandparents, great grandparents and grand friends attended the event held at the child care center located at 435 Campus Street in Huntington.

Each classroom had special activities in their rooms from making applesauce, apple crisp, projects centered around apples and much more. Grandparents and great grandparents played with puzzles, play dough, and did projects with their grandchildren. Each child and grandparent had their picture taken together by the staff of Kids Kampus.

Grandparents shared a morning snack or lunch with their grandchildren, played outside with the parachute, swings, slide and sandbox. Clifford the dog visited everyone as well.
